

4th Edition of International Conference on

BIOTECHNOLOGY AND BIOENGINEERING

Overview

ECBB 2024 will re-unite over 200 experts from the world's finest research and professional institutes to discuss not only their expertise, but also their discoveries in the field. The colloquium also aims to foster synergistic collaboration between academics and industry, as well as to demonstrate the rapid advancement of cutting-edge technology in the field of Biotechnology and Bio engineering in recent years with an earnest International audience.

Opportunities

We are excited to invite you to sponsor and exhibit at ECBB 2024. Download the 2024 Exhibitor and Sponsorship Prospectus.

Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
